Little Bob Bighorn's
LIBRARY ADVENTURE
Little Bob Bighorn, his family and some friends are visiting the Rancho Mirage Public Library. Join them as they discover all the wonderful things inside.

Dear Parents and Teachers,
The Rancho Mirage Public Library is a place for adults and children to find information for school assignments, general knowledge and recreational purposes. This coloring book is designed as an introduction to the Library for children. It is intended to show children the types of materials found in the Library as well as some of the services provided. I want children to feel comfortable in the Library and know that this is a place where they belong.
