Nearly All of Our Programs Are FREE
File that under fact, not fiction!

Thanks to the support of our generous donors.

Unless otherwise noted, programs are presented by the Rancho Mirage Library and Observatory Foundation.

Keep up to date on everything happening at the Library and Observatory by signing up for our email newsletters! In addition to a monthly preview email, each Sunday morning you’ll receive an email with a detailed look at the week ahead. We’ll even send you “day-of” reminder emails for our major programs.

Sign up today at ranchomiragelibrary.org or by scanning the QR code below.
Welcome to Your Rancho Mirage Library and Observatory

A world of discovery and adventure awaits! Join us as we dive beneath the waves in our 2024 Summer Reading Club: **20,000 Reads Under the Sea**. All ages are welcome on our crew of lifelong learners as we set sail to keep our minds engaged and reading skills sharp. Themed weekly programming will help you beat the heat as you have fun learning about sea creatures, marine transportation, famous sailors, ocean weather, and more. We’ll be featuring crafts, games, incredible performances, and great ocean-themed movies all summer long. Programs will take place nearly every Monday through Friday from June 10 through August 2 (see pages 4–23 for more information and a detailed schedule).

Everyone is invited on our summertime sojourn to the seven seas, and participants of all ages will have the opportunity to win some incredible raffle prizes by tracking their reading over the course of the program. Don’t fall prey to the *deadly screen-monster* lurking in the doldrums of a long desert summer; set a course for the Children’s Room where you can stop in to sign up for our Reading Club!

**Additional Highlights**

- All new **SPACEducation (Scientific Phenomena and Cosmic Education) Sessions** designed specifically for kids ages 7–13 are launching in June (page 25).

- Our **teen programming** continues to expand with a full line-up of diverse opportunities over the course of the summer (pages 29–31).

- E.B. White’s classic **Stuart Little** will be brought to life onstage with the Library and Observatory Foundation’s youth theatre production on July 26 and 27 (page 26).

- **Docu-Mondays** return with a thoughtfully selected lineup of diverse documentaries featuring nonfiction storytelling that will stay with you long after the credits roll (page 27).

- The eye-catching artwork of Rancho Mirage resident and “digital painter” **Reese Schroeder** will be on display in the Library through August (page 32).

Our mission to provide access to lifelong learning opportunities to all is made possible due to the generous support we receive from the community. If you enjoy our programs and exhibits, please consider donating to the Rancho Mirage Library and Observatory Foundation.

See you this summer!

**Week 8—Fictional Creatures and Cities**
July 29–August 2

**Did You Know?**

- Kraken are mythical creatures of Norwegian folklore. Their name is probably related to the German word *krake*, which means octopus. Descriptions of the kraken are vague, but they are said to be the length of 10 ships.

- In European folklore, sirens had magical and prophetic powers. Sirens loved music and often sang to lure mortals to their deaths by enticing them to live underwater.

- Selkies are Irish mythological creatures that can shapeshift between seal and human forms by removing or putting on their seal skin.

Observatory

SPACEducation Sessions (Ages 7–13)
Young astronomers are invited to join the Observatory team on select Fridays for SPACEducation (Scientific Phenomena and Cosmic Education) Sessions. Throughout history, those looking to the sky have asked questions. Why does the Sun rise and set? Why are there phases of the Moon? Why do the stars appear to move throughout the night? Through a series of hands-on activities, we will search for answers to these questions and others as we investigate our place in the Universe. All three sessions will offer identical activities. All participants must be accompanied by an adult. Registration is required. Visit ranchomiragelibrary.org.
Friday, June 7, 4–5:30 pm • Friday, July 12, 8–9:30 pm • Friday, August 16, 8:30–10 pm

Observatory Tours
Take a daytime tour of the Observatory to learn more about the facility and its history, see a live view of the sun through our solar telescope (when available), check out the Cosmic Office, and enjoy a presentation via our Integrated Space Theater inside the dome. No registration necessary. For dates and times visit ranchomiragelibrary.org/observatory.

Observatory Public Exploration Nights
Observatory Public Exploration Nights are your portal to the Universe! Join us at the Rancho Mirage Observatory to glimpse beyond our world through our PlaneWave Instruments CDK 700 telescope. Ask questions and learn fun facts from astronomers and volunteer docents as you take in 100-350x magnified views of planets, nebulae, star clusters, and more (weather permitting). No registration is necessary for this drop-in, open-house-style event. Due to the capacity limits of the Observatory, you may experience a short wait, but everyone will have a chance to get in. For dates and times visit ranchomiragelibrary.org/stargazing.
Stuart Little

The endearing classic about a mouse named Stuart who is born into an ordinary New York family will be brought to the stage this summer, capturing all the charm, wisdom, and joy of the E.B. White original. The many adventures—both big and small—of Stuart Little will be brought vividly to life in this story-theatre presentation. Our ensemble of young actors will perform human and animal roles in a series of delightful scenes that make up the marvelous maneuverings of a mild-mannered mouse trying to survive in a “real people's world.”

Auditions • Monday, June 10 to Wednesday, June 12

Local youth ages 7–17 can audition to join our production of Stuart Little. Auditions will take place at the Library. To learn more and register, visit www.desert-theatricals.com/junior-theatre. There is no cost to audition or take part in our youth theatre program. Join us in this summertime adventure to have fun, make friends, learn new skills, and maybe even discover a little bit of magic. The experience includes amazing costumes, professional scenery and props, two performances in front of your family and friends, and instruction from award-winning theatre professionals!

Performances • Friday, July 26, 6–7 pm • Saturday, July 27, 2–3 pm

Performances will take place in the Library’s Community Room. Admission to the performance is free, however tickets are required. Visit www.desert-theatricals.com to reserve your tickets.

Rancho Mirage Library youth theatre programs are facilitated by Desert Theatricals and made possible by generous gifts from the Richard Brooke Foundation and Anderson Children’s Foundation.
Docu-Mondays

Join us on Mondays in August to enjoy a curated lineup of diverse documentaries on the big screen in the air-conditioned comfort of the Library’s Community Room.

**Hoop Dreams (1994)**
Monday, August 5, 2–5 pm
A film following the lives of two inner-city Chicago boys who struggle to become college basketball players on the road to going professional.

**The Donut King (2020)**
Monday, August 12, 2–3:30 pm
This documentary tells Ted Ngoy’s story that is one of fate, love, survival, hard knocks, and redemption.

**Catfish (2011)**
Monday, August 19, 2–3:30 pm
Young filmmakers document their colleague’s budding online friendship with a young woman and her family which leads to an unexpected series of discoveries.

**Exit Through the Gift Shop (2010)**
Monday, August 26, 2–3:30 pm
Following the style of some of the world’s most prolific street artists, an amateur filmmaker makes a foray into the art world.

This series is made possible by a generous gift from Gerald and Lori Ernst.
Kids and Families

Storytimes
All ages • Tuesdays and Wednesdays at 10 am

Storytime will be held in the back of the Annenberg Room. 30 minutes of engaging stories, songs, and active rhymes will captivate the imagination of young children.

We suggest that participants arrive early so that all can benefit from the total experience and minimize disruptions. Space is limited. First come, first served.

The Scribblers
Slam Poetry & Lofi Freestyle
Six Weeks: Tuesdays, June 18–July 23, 1–2 pm • Ages 9–14

Poetry and performance collide in this six-week workshop studying slam poetry. Each week, young writers will learn to craft and perform their original poems to the stylings of lofi music. Each session will include a snack, discussion, ice breaker, and a time to write and share. On the sixth session, students will be given the chance to perform their poems for their peers, parents, and guardians. Registration is required. Visit ranchomiragelibrary.org.

Creative Collage Mini Session
Friday, June 28, 2–3 pm • Ages 9–17

In this one-day session, young writers will learn how to create a collage for any season or vision. Whether they are creating a collage for developing characters and settings or creating a space to dream, these writers will learn how to pull inspiration from paper ephemera. All materials will be provided. This session will include a snack and a brief discussion with time to create and share. Registration is required. Visit ranchomiragelibrary.org.
Book Discussion Group (Grades 6-12)

Snacks will be provided, and registration is required. Visit ranchomiragelibrary.org to register.

**Daughter of the Pirate King** by Tricia Levenseller

Wednesday, June 5, 4:30–5:30 pm

Seventeen-year-old pirate captain Alosa allows herself to be captured, giving her the opportunity to search the enemy ship. Only one thing stands between her and her captor, the clever and attractive first mate Riden. But Alosa has a few tricks up her sleeve, and no lone pirate can stop the daughter of the pirate king. **The first 10 registrants will receive a free copy of the book.**

**The True Confessions of Charlotte Doyle** by Avi

Wednesday, July 3, 4:30–5:30 pm

An ocean voyage of unimaginable consequences... Not every thirteen-year-old girl is accused of murder, brought to trial, and found guilty. But I was just such a girl, and my story is worth relating even if it did happen years ago. Be warned, however: if strong ideas and action offend you, read no more. For my part, I intend to tell the truth as I lived it. **The first 10 registrants will receive a free copy of the book.**

**Crown of Coral and Pearl** by Mara Rutherford

Wednesday, August 7, 4:30–5:30 pm

Nor, a young woman from a village on the sea, must impersonate her twin on land to save everyone she loves from a tyrannical prince. She must learn to negotiate the treacherous protocols of a court where lies reign and obsession rules. But discovering her own formidable strength may be the one move that costs her everything. **The first 10 registrants will receive a free copy of the book.**

The Artwork of Reese Schroeder  
June through August  

Rancho Mirage resident Reese Schroeder describes himself as a “digital fine art painter.” Although he uses computers and graphics software, the term “digital art” suggests to him the participation of the computer in some way, which is contrary to his process. Schroeder’s artwork is the result of traditional watercolor and acrylic painting technique as adapted to the computer. He has transitioned from using paint, building up layer upon layer of color using various techniques with brushes, to utilizing computer software which allows him to create on screen, layer by layer.

According to Schroeder, “The computer exists within my process as the canvas, brushes, and paint. I ask nothing more of the digital side except to continue to allow me opportunities to study the fundamental elements of form and pattern, color, and light in various ways. My works are the result of conceptual experimentation of these elements, each reacting with the other, as a fluid composition where there are no commitments until every aspect of every visual element and its attributes are considered.”
No artificial intelligence software is used by Schroeder in creating his works. His original artworks are realized as archival pigment prints on fine art stretched canvas and cold-press museum paper, and occasionally as dye-sublimation transfer to aluminum sheet. Similar to a photographer's original negative, each artwork printed from his digital file is considered an original work.

Support

A terrific way to support Library and Observatory programming is to make a general donation to our Foundation, but did you know that individuals and organizations can also choose to sponsor specific programs? Sponsorships help us continue to fund favorite presenters and performers and allow us to bring in exciting new programs as well. Upcoming sponsorship and naming opportunities include, but are not limited to, the programs listed below.

Annual Gingerbread House Event—$5,000
Kids Book Discussion Groups—$2,500
Music Programs and Concerts—$1,000–$5,000
Film and Lecture Programs—$250–$1,500

Sponsorship is a great way to publicly show your support for the power of lifelong learning. To learn more, get in touch with us by calling 760-341-7323 or sending an email to programming@ranchomiragelibrary.org.
